WORK EXPERIENCE

Elementshospitality

2025 - PRESENT

IT Manager

Responsible for leading and optimizing IT operations across multiple hospitality and entertainment brands. Oversee the full technology ecosystem, including website development, POS systems, Microsoft 365 Business services, and IT infrastructure. Ensure system reliability, security, and performance while implementing cost-effective solutions that enhance productivity, streamline operations, and support business growth.

BeyondMediaMarketing

2024 - 2025

Full Stack Web Developer

Skilled in building custom WordPress solutions with PHP, JavaScript, HTML, CSS, and MySQL. Experienced with ACF, WooCommerce, Elementor, Git, and REST APIs. Proficient in headless WordPress setups for scalable and high-performance websites with a strong focus on SEO and user experience.

BalanceBrightness

2022 - 2023

Technical Project Manager

In my role as a project manager, I supervise the planning, carrying out, and wrapping up the projects, making sure they are finished utilizing various methodologies on schedule and within budget.

BalanceBrightness

2019 - 2021

Web Developer & Tutor

Mentor students enrolled in our online courses while creating and managing websites seamlessly with custom coding and WordPress, a popular content management system.
